

What to bring

Clothes are likely to suffer wear and tear and also get dirty and wet, therefore you should bring several changes of old clothes for doing activities. Jeans are not suitable for activities as they get heavy and cold when wet and don't dry out quickly. Please ensure that all items are named. Please note, bedding is provided for all guests at PGL centres in Northern France.

"This is a fantastic centre and has been a brilliant experience for all involved."

Lutterworth School, Leicestershire

A learning experience with a difference!

A PGL experience is often the start of an amazing new journey for many children.

Established in 1957 we are trusted by over 7000 schools and groups each year because we deliver unforgettable experiences with the best activities, great food, comfortable accommodation and above all, outstanding staff.

A packed programme!

The sample day itinerary shown here gives an example of some of the things you may expect your child to be doing during their trip. In order to experience the culture, history and people of France, children will go out on day or half-day excursions, with a PGL Tour Leader, to local and national places of interest.

Their trip may include some language study relating to their excursions and they may also spend some time doing adventure activities at the centre. During the evenings there will be a full programme of entertainment to take part in, organised and led by the friendly PGL Animateurs.

What is Château de Grande Romaine like?

Le Château de Grande Romaine sits in 70 acres of its own grounds, 20 miles from the centre of Paris and 30 minutes from Disneyland® Paris. It's an ideal base to discover the world-famous sights of Paris, practise language skills and experience French culture.

Optional on-site activities include abseiling, climbing and zip wire. Facilities include an outdoor heated swimming pool (available May – Sept), football pitches, volleyball and tennis courts, a games room, common room and a disco.

Accommodation

The centre was formerly a hotel and offers a good standard of accommodation for groups, with 4 – 7 bedded rooms with bunk beds and en suite bathrooms.

The Party Leader and accompanying adults will be roomed close to the children. All accommodation is adjacent to the main château building within the centre grounds.

Guests with disabilities / additional needs

Many of our activities and local excursions are accessible for people with additional needs. For details of rooming and to discuss a suitable programme, please ask the Party Leader to talk to us directly about your child's particular requirements.

Food & drink

Tasty and healthy, we take our food very seriously! Meals at Château de Grande Romaine are freshly prepared and designed to provide all the nutrition your child needs, including plenty of fresh fruit, vegetables and salads as well as plenty of carbohydrate for energy! We source fresh, regional produce wherever we can and there is always a cultural flavour to our menus. We like to provide a balance between foods which are familiar and opportunities to try dishes with a distinctly French flavour too.

There is always a vegetarian option available but please let the Party Leader know in advance. We are familiar with most dietary requirements, so if your child has any allergies or a special diet for any reason, just make sure the person organising the trip knows about this. There are also vending machines and a small retail shop on site.
