Dear Parents and Carers,

Last Friday saw the Mock Exam Results event during Tutor time, where tutors presented students with their results.

There was a great buzz about the event with students chatting to staff and peers about how they had performed in the last round of mock exams. Stef, Lulu and Nikki were there to provide support, where necessary, and commented on what a lovely atmosphere there was, with students welcoming conversations with Mr Lowdell and Miss Foy.

This was a real opportunity for students to think about how they might feel on the actual results day and to feel either proud of their achievement, or to be spurred on to commit more to their revision.

I have to say that once again it was heart-warming for the team to be such an integral part of their learning journey.

To help with conversations that you may be having at home following the mock results a reminder of the support that is available here at school for your child.

From Monday 13 February we will be running revision sessions, after school, to help support Year 11 students in their preparation for their GCSE exams. Students have received details of the sessions and you can also find the session on our website [here](#)

Our website also has a range of information including dates for the Summer 2023 Examinations along with JCQ information for candidates [here](#)

We encourage your child to speak with their tutor, or individual subject teachers, also if they would like any further guidance or any worries they may have.

Yours sincerely

Mrs Sarah Barley-Morey
AHT Y11 Lead and Careers

Mr Matt Atkins
Senior Assistant Headteacher
