Dear Parents/Carers

## **YEAR 11 SUBJECT EVENING FOR PARENTS AND CARERS**

**Monday 28 November from 4.30 – 7:15pm**

It is with pleasure that I write to inform you of the arrangements for the Year 11 Subject Evening, which will take place face-to-face in school on Monday 28 November.

All bookings for the Subject Evening will be via SchoolCloud. Appointments can be made from Monday 14 November at 5pm and will close on Monday 28 November at 9am.

A number of students may have two teachers in some subjects and, where this is the case, the system will allocate you one of these to book with. For students studying triple science appointments can be booked with two teachers who will liaise with the other science teacher to share information with you and provide a full overview.

As this is a Subject Evening you will be unable to book appointments with your child's Tutor due to their subject commitments. If you do wish to speak to them a reminder you can do so at any point during the year by contacting them directly by e-mail.

The attached guide will step you through the process of booking appointments.

All appointment lengths are 5 minutes; we encourage you to start with any specific questions to ensure there is sufficient time for these to be fully answered. If you need longer with a member of staff they may ask you to make an appointment to speak to them at another time to help keep the evening running smoothly. Members of the Senior Leadership Team, will be available for any general questions in the Student Services area throughout the evening.

The most recent attainment and engagement data will be available via GO 4 Schools in advance of the evening and we would encourage you to re-visit this prior to the appointment and to be ready to ask any specific questions you have. For Year 11 this will be Data 1 Predictions and Mock grades from the recent Mock exams in Maths, English and Science.

If you have any issues or queries with booking appointments then please contact [data@northleamington.co.uk](mailto:data@northleamington.co.uk).

It was lovely to see so many of our Year 11 students attend the Sixth Form Open Evening last night which I hope you enjoyed? Following on from Mr Lowdell's talk, this subject evening is also an opportunity to discuss with subject teachers any questions you may have regarding subjects students are considering studying at A Level at this time.

A reminder also that the Sixth Form Application form is on our website under Sixth Form and Admissions or can be accessed here [Sixth Form Application](#)

Yours sincerely
