

North Leamington School

Attendance and Punctuality Policy

NOVEMBER 2017

Introduction

1. Regular school attendance is an important part of giving you the best possible start in life. Students who miss school frequently can fall behind with their work and do less well in exams. Good attendance shows potential employers that you are reliable. Research suggests that students who attend school regularly could also be at less risk of getting involved in antisocial behaviour or crime.

Core Purpose

2. **Commitment:** The importance of regular school attendance cannot be over-emphasised. Regular school attendance is part and parcel of good outcomes and attainment in schools. Good attendance and punctuality is vital if a young person is to succeed at school
3. **Opportunity:** Attendance is crucial to learning. It ensures that students receive the full benefit of teacher explanations and individual guidance. With regular absence, there is always a risk that the important work will not be fully understood. Even missing the 'odd' lesson may have a significant effect. It may be that a missed lesson introduces crucial concepts on which everything that follows depends
4. **Commitment:** Attendance helps students form good relationships with members of their class and teachers. When absent, students miss out on shared experiences with other students and can feel isolated because of this. Promoting and maintaining school attendance and punctuality requires a committed partnership involving parents and families, teachers and support staff, governors, the LA support services and other agencies.
5. **Excellence:** Attendance develops good habits of organisation and self-discipline, which are essential in the adult world of work, and attendance and punctuality are always important features of any reference for a prospective employer.

Legal Requirements

6. *By law, all children of compulsory school age (between 5 & 16) must get a proper full time education. Parents are responsible for making this happen, either by registering the child at school or by making other arrangements which provide effective education. (The Education Act 1996 Section 7).*

Aim

7. North Leamington School seeks to ensure that all its students receive a full time education, which maximises opportunities for each student to realise his/her true potential.
8. To meet this aim:
 - The School will provide a welcoming, caring and safe environment, whereby each member of the School community feels wanted and secure.
 - College Leaders, together with all other members of staff, will work with students and their families to ensure that each student attends school regularly and on time.
 - The School will employ an effective system of incentives and rewards which acknowledges the effort of students to improve their attendance and timekeeping and will challenge the behaviour of those students and parents who give low priority to attendance and punctuality.
9. Also, the School will establish an effective system of communication with students, parents and appropriate agencies, to provide mutual information, advice and support.

18. Registration procedures will include:

- Morning registration
- Afternoon registration
- In the event of 'no electronic system', a paper register must be taken and sent to Student Services within 15 minutes of the start of every VT session or lesson.

Promoting Regular and Positive School Attendance

- Information on the school attendance to be included in the School Prospectus, Handbook and School Newsletters
- All certificates for attendance to be awarded in assembly
- Highlight students who have made considerable improvement in their attendance

Reducing Absences

- The School will present a positive and proactive message concerning the importance of attendance;

- If students attendance causes concern and falls below 95%, a letter will be sent home to parents to inform them of the School's concern and also to enquire if there are problems that School may not be aware of
- The School has clear lines of responsibility and a consistent response to attendance issues:
 - a. Lines of communication and agreed action between College Leaders, Attendance Coordinator and ACE
 - b. Weekly meetings between SAHT, Attendance Coordinator and ACE to look at attendance concerns
- Effective and prompt communication with home:
 - a. First day absences – contact with parents
 - b. Expectations – students and parents aware of procedure – absence explanation is compulsory
 - c. Use of standard letter system to parents
- Responding to lateness:
 - a. The School tries to deter lateness without deterring attendance
 - b. Students are detained each day if they are late
 - c. Parents and students interviewed if lateness continues (Punctuality panel)
- Curriculum concerns. If a student is not attending school because of curriculum worries/concerns the School will offer some/all of the following support:
 - a. IEN Department – in-class/individual support
 - b. Daily meeting with College Leader to discuss progress
 - c. Allocation of a key worker in school
 - d. Meeting between School, student and parents to monitor situation
 - e. After school support sessions – to catch up missing work and/or to give additional help and support
- Attendance Panels:
 - a. Attendance Panels – the school uses ACE worker and College Leader to interview students and parents where there are initial concerns relating to attendance
 - b. Motivational Meetings with the ACE worker as required

Attendance Facts

- **Half a day a week missed in Year 10 and 11 can mean the loss of one grade for every GCSE taken**
- **One day a week absence is the equivalent, over a school career, of nearly two and a half years of education**
- **Ten days holiday leave is the equivalent of two terms of education missed, over a school career**
- **Fifteen minutes of lateness a day equals a year of education missed**
- **90% attendance is the equivalent of a student missing one half day of school every week**

Monitoring and Evaluation

19. Attendance Policy processes will be reviewed as necessary in order to ensure that the policy objectives continue to be met. The review will be informed by:

- Local Authority procedures, including the Warwickshire Attendance, Compliance Enforcement (ACE) protocols
 - School Attendance Coordinator
 - College Leaders
 - Learning Mentors
20. If the processes set out in the policy document are changed the document should be updated, including on the website, and Governors informed.
21. The school has clear and high expectations on attendance – students are expected to achieve above 95%. Monitoring of performance against this target will identify different types of absence, including persistent absence, and outcomes reported to Governors through the Headteacher’s termly report.
22. The effectiveness of the NLS Attendance Policy will be reviewed biennially by the Teaching & Learning Committee.

School and ACE (Attendance Compliance Enforcement) Intervention

23. School and ACE interventions include:
- Regular timetabled slots for Attendance Coordinator to meet with designated ACE worker
 - Letters sent home regularly if absences are unexplained and when attendance becomes a concern and drops below 95%
 - Home visits organised with ACE and School PCSO
 - ACE Pre-legal meeting warning letters issued to parents
 - Attendance Pre-legal meetings for students in Years 7-11
 - Referral to ACE takes place if there is no improvement in attendance together with persistent unauthorised absences from school

Attendance Procedure

24. The law states that all young people must attend school all day every day unless they are ill, until they reach the legal leaving age. Absence will obviously make it difficult to keep up with lessons. Students who have been away must make every effort to catch up with the work but copying up is not the same as being taught. We are working hard to improve attendance and will notify parents if attendance falls below 95%.
25. It is most important that parents/carers and the School are aware of student absences in view of child safety and truancy. In order to support this, the School now uses the following procedure:
- A request that parents telephone or email the school (see details below) before 8.30am on each day of any absence, with the reason for absence and if possible how long the absence is likely to last
 - The school uses Groupcall communication system for student absence. The system will contact parents directly if a student is marked absent at registration and school has not been informed of a reason for the absence
 - This system will ensure that both parents and school are aware of student absences and that students are absent and safe with their parents’ knowledge and permission

- If the College Administrator is not able to contact parents and there has been no message from home, then an absence note is required
 - If you know about an absence in advance (i.e. hospital or dental appointments), please contact Main Reception before the day
26. The School has the support of an ACE worker, who will visit homes in the event of problems with attendance. The most recent Government regulations on attendance state that students may only legitimately be away from school if they are ill. Other reasons are recorded as an 'unauthorised absence' unless they are educational or sporting activities

Warwickshire County Council – Penalty Notices for Non-School Attendance

27. Under Section 444 of the Education Act 1996, an offence occurs if a parent/carer fails to secure their child/children's attendance at the school at which they are a registered student and the absence has not been authorised by the school
28. Penalty Notices can now be issued to parents/carers as an alternative to prosecution for a first offence
29. In Warwickshire, Penalty Notices will be issued by ACE
30. A formal warning will always be issued first allowing a monitoring period of ten school weeks during which parents will be asked to ensure that their child/children's attendance improves
31. At the end of this period, the Penalty Notice will be issued if the required level of improvement has not been achieved
32. The fine is £120 to be paid within 28 days of issue, which reduces to £60 if paid within 21 days. If this is not paid, instigating criminal prosecution proceedings will be considered

Holidays in Term Time

33. See Annex 1 for guidance

Attendance Compliance Enforcement (ACE) Referral

ACE Attendance Pre-legal Meetings – Years 7-11

34. Attendance Pre-legal meetings will, in partnership with school, offer the opportunity to intervene where attendance becomes an issue. North Leamington School will have the opportunity to hold an Attendance Pre-legal meeting at a frequency which will be determined by the category they fall into (at present the category is 2). The meetings will be managed by ACE who will work closely with SAHT and the School Attendance Coordinator. In order to ensure legally acceptable evidence and consistency, all correspondence will be the responsibility of ACE.

Process

35. A summary of the process is set out below:
- a. College Leader/SAHT, Attendance Coordinator and ACE identify non-attenders, appropriate for the attention of the Pre-legal meetings
 - b. A referral form will be completed by the School Attendance Coordinator which will provide ACE with basic information. The form is passed to the designated ACE worker
 - c. The Pre-legal meeting will be held on school premises
 - d. Members of the Pre-legal meeting will include an ACE worker and College Leader

- e. Parents/Carers and the student attend the Pre-legal meeting. Issues concerning non-attendance will be discussed. Where appropriate a target for improvement is set and consequences, including Fixed Penalty Notices and prosecution, will be clearly stated
- f. Where appropriate, a referral will be made for direct work to an ACE worker
- g. After a monitoring period (10 school weeks), the ACE worker and school staff will hold a review
- h. Letters will be sent to parents informing them of the results of the review. Where fines/prosecution is appropriate, paperwork will be forwarded to the ACE Court Officer
- i. ACE Officers will also offer a consultation session for staff as part of the service they provide on Pre-legal meeting days at school

Parental Communication and Procedure

36. See Annex 2

Sixth Form

Attendance and Absence Procedures

- 37. When students join the Sixth Form they sign up as a full-time student for a two year course of study
- 38. As well as timetabled lessons, all students have non-contact periods on their timetable for private study, home learning and extra-curricular activities. Attendance at lessons, Student Development periods and morning Learning Mentor periods are compulsory and essential if students are to achieve their full potential at the end of the course. Students in Year 12 are expected to be in school during all non-contact periods. The exception is if they do not have a lesson on a Friday afternoon.
- 39. The following guidance notes explain the School's policy on attendance and absence for all students in Years 12 and 13 and are to be used in conjunction with the Sixth Form Code of Conduct.

Expectations

- 40. Students are expected to:
 - Attend 100% lessons, PSHE periods and special year group off-timetable days
 - Attend Learning Mentor periods punctually
 - Seek written permission in advance for time that they may need to take off and inform subject teacher(s) concerned
 - Ensure they sign in and out at Reception if accessing or leaving site outside normal hours
 - Ensure that a parent/carer contacts the school either by telephone or email before 8.30am each morning to report any illness or sickness or bring in a letter signed by a parent or carer on the first day back after absence
- 41. The School will:
 - Keep records of students' attendance both for Learning Mentor periods and for lessons
 - Monitor students' attendance and any absence, before contacting home if there are any concerns

Negotiated Absence

42. It is understood that there are occasionally reasons why students may need to be absent. In such cases of known absence they must seek permission from, or notify, the Head of Sixth Form in writing **at least 2 days in advance of the absence.**

43. The following list indicates the occasions when absence may be negotiated:

- Medical or dental appointment (with appointment card)
- Driving test
- Official study leave
- Visit to university to attend open day or interview
- Job interview
- Participating in a significant extra-curricular activity (e.g. taking part in a regional or national event such as drama, music or sport or a workshop arranged by a particular subject area)
- Educational visits
- Attendance at a funeral
- Religious holiday
- School Council meeting or interview panel
- Attendance at probation meeting or court hearing
- If you are officially the responsible carer for a child or family member and an emergency arises
- Severe weather (exceptional circumstances)

Holidays

44. All post-16 courses are extremely intensive and students are strongly discouraged from taking holidays during term time. However, if students need to apply for Leave of Absence the appropriate form must be collected from the Sixth Form Office, completed and returned to Mrs N Charman, 16-19 Manager.

Illness or Missing Lesson/Registration Time

45. School should be contacted by a parent or carer, preferably on the first day of absence and before 8.30am. This can either be by telephone on 01926 338711 or by email at: fbond@northleamington.co.uk. If this is not possible then students should bring in a note signed by a parent/carer as soon as they return to school. This should also be the case where morning or afternoon registration has been missed.

46. Please note that staff may contact home/parents in the event of any query over students' attendance. It is a student's responsibility to arrange with teaching staff to catch up with any work or learning beyond the classroom missed whilst they were absent.

Other Kinds of Absence

47. The following reasons for absence are not generally acceptable and cannot be authorised by the School:

- Employment or employment training which is not part of the programme of study
- Leisure activities

- Birthdays or similar celebrations
- Baby-sitting younger siblings
- Shopping
- Driving lessons

Identifying Problems

48. If, after the first term of study, a student's attendance in a particular subject is a cause for concern, they may be given a warning to improve. If their attendance falls further then parents will be contacted to discuss our concerns.

- Headteachers **shall not** grant **any** Leave of Absence during term time **unless they consider** there are **exceptional** circumstances relating to the application.
- Parents do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are **exceptional circumstances** and the Headteacher must be satisfied that the circumstances warrant the granting of leave.
- Headteachers will determine how many school days a child may be absent from school if the leave is granted.
- The school can only consider applications for Leave of Absence which are made by the resident parent. i.e the parent with whom the child normally resides.
- Applications for Leave of Absence must be made in advance and failure to do so will result in the absence being recorded as “unauthorised”. This may result in legal action against the parent, by way of a Fixed Penalty Notice.
- Applications for Leave of Absence which are made in advance and refused will result in the absence being recorded as “unauthorised”. This may result in legal action against the parent, by way of a Fixed Penalty Notice, if the child is absent from school during that period.

Dear Parent/Carer

Re: Attendance Procedures at North Leamington School

We are committed to working in partnership with you to ensure that your child has the best possible attendance at school. Good attendance is essential in supporting your child to achieve their academic targets and to assist their social development. Any absence from school means that a learner is missing vital education; research shows that this has a negative impact on attainment.

Under Section 444 of the Education Act (1996) it is an offence for your child not to attend school regularly. We have a shared responsibility to ensure that the law is upheld and that your child achieves their full potential.

To help support you and your child in making sure that they are able to maximise their opportunities with us, we have created a clear set of procedures.

General Absences

Please note: The decision to authorise **any** absence is at the discretion of the Headteacher.

On the day of an absence:

- If your child is absent from school, please telephone us before 8.30am to explain why.
- If your child is absent for more than one day, then please contact the school on each day of absence.
- If this contact is not made, you will receive a Groupcall message requesting that you contact us as soon as possible.
- If the absence is for 3 or more consecutive days, you may be required to provide medical evidence in order for us to authorise the absence.
- If, during the school day, your child needs to leave school for an appointment, please provide evidence, e.g. medical appointment card/letter.

After an absence:

- If we have not received a reason from you, we will send a letter requesting an explanation for the absence. The letter will include a reply slip that you should complete with the necessary details of your child's absence and return to the College Administrator as a matter of urgency.

- If an absence is not explained after 10 days, we will have to unauthorise it. Persistent unauthorised absences from school may lead to the involvement of the Attendance, Compliance and Enforcement (ACE) Service.

Persistent Absences

If percentage attendance has become a concern:

- The average attendance rate for the vast majority of our students is 95%.
- We will become concerned when a child's percentage attendance drops below expectations.
- We will send you a letter informing you of our concern and asking if there are any ongoing medical issues that we are not aware of.
- We may invite you to meet with school staff to discuss the reasons for absence.
- Where a child has regular absences due to a confirmed medical condition, we will work with you to ensure your child has the appropriate support.

If percentage attendance does not improve:

- We will send a further letter informing you that we are increasingly concerned and that we will now require medical evidence in order to authorise any further absences.
- Failure to provide medical evidence for further absences will result in your child being referred to a pre-legal meeting with the Attendance, Compliance and Enforcement (ACE) Service. You will also be asked to attend the meeting so you can work with the school to improve your child's attendance. Your child may be set a formal attendance target; failure to meet this could result in legal action, which could include a Fixed Penalty Notice.

Leave of Absence

Please note: The Education (Pupil Registration) (England) Regulations 2006 as amended by Education (Pupil Registration) (England) Regulations 2013 no longer permit Headteachers to authorise leave for holidays. Headteachers **shall not grant any** leave of absence during term time **unless** they consider there to be **exceptional circumstances** relating to the application.

Requesting absences during term time:

- For all leave of absence requests during term time, you will need to complete an application form giving us at least six weeks' notice (except in the case of a genuine family emergency). The forms are available from Reception and should be returned there for the attention of Mrs V Purdy, Office Supervisor & Attendance Coordinator.
- To complete an application form, you must have parental responsibility and be the parent with whom your child usually lives.
- Parents do not have any entitlement to take their child on holiday during term time. Only cases where there are exceptional circumstances will be considered and at the discretion of the Headteacher.
- If your request for leave of absence is refused and your child is still taken out of school, this will be referred to the Attendance, Compliance and Enforcement Service and may make you liable to a Fixed Penalty Notice.

Punctuality

Arriving to school:

- The first lesson of the day starts at 8.45am and students are expected to be on site before 8.35am so that they can be in their classroom on time, ready to start their day promptly and smoothly.
- All gates at the rear of school will be locked at 8.40am and students will need to enter through the Late Gate at the front of school where a senior member of staff will log their name and issue a breaktime detention for the same day. If students fail to attend the breaktime detention, they will be required to attend a College Leader detention for one hour after school on Friday.
- We need your support in encouraging your child to be here punctually so that they don't miss valuable lesson time and instructions.

Students who are late:

- If your child arrives to school between 8.45am and 9.15am, they are marked with a late mark ('L').
- If they arrive after registers close at 9.15am, and there is no valid reason, they are marked with 'U'. This mark will affect their attendance percentage which may trigger a referral to the Attendance, Compliance and Enforcement (ACE) Service.
- Students late to any lessons during the day, without authorisation, are required to make up the time during social time.

Students who are persistently late:

- On the 3rd episode of lateness, with no valid reasons, students are required to attend a detention after school with their College Leader.
- Continuing to be late after this will result in you being invited into a meeting with your child's Learning Mentor or College Leader.
- If your child is persistently late to school, we will send you a letter explaining our concern and informing you that we will be monitoring your child's punctuality for a set period.
- If no improvement is made during this time, your child will be required to attend an interview with the ACE Service.

These procedures are designed to support parents, students, and the school, by providing early intervention. The law requires schools to be open to students for 190 days each year, and every day is important. Please help them not to miss any of this valuable time.

If you would like to discuss your child's attendance, please do not hesitate to contact me.

Yours faithfully

Mrs J Mitchell
Headteacher
