

School Improvement Plan 2017 / 18 - Key Whole School Priorities

Strategic Aim 1:

To further enhance outstanding Teaching & Learning across the school

To achieve challenging, aspirational targets for all students including key groups.

Effective stretch and challenge for all learners; visible in all lessons through flexible planning and delivery.

All predictions are based on robust standardised assessments.

All teachers continue to develop and embed active literacy strategies into their day to day teaching.

To provide effective curriculum planning that responds to national changes and based on identified needs students have opportunity to follow a bespoke personalised pathway.

Acute awareness of group profiles and ongoing AFL strategies (FB2FF/DTT/PLCs) to address gaps in learning through appropriate early intervention.

Strategic Aim 2:

To further enhance the development of an outstanding workforce

The school will continue to be outward facing, working closely with other schools to develop effective partnerships.

To continue to develop strong shared leadership at all levels to achieve outstanding outcomes for all.

Build staff resilience to achieve outstanding outcomes both personally and for the students.

Build academic and personal resilience across the student body through SBS, Learning Pit and Thinking Hard strategies.

An "open door" ethos across the school that encourages sharing of best practice and celebrates success.

Strategic Aim 3:

To further enhance outstanding personal development opportunities for all students.

To continue to develop a culture and ethos for learning through World Class Basics (WCB) including attendance.

All students are provided with opportunities to be challenged by the VT curriculum provision.

Continue to develop leadership opportunities for students.
